ARTICLE 4

Fiscal Domicile

(1) For the purpose of this Agreement, the term “resident of a Contracting State” means any person who, under the law of that State, is liable to taxation therein by reason of his domicile, residence, place of management or any other criterion of a similar nature. But this term does not include any person who is liable to tax in that Contracting State in respect only of income from sources therein or capital situated in that State.

(2) Where by reason of the provisions of paragraph (1) an individual is a resident of both Contracting States, then his status shall be determined as follows:

(a) he shall be deemed to be a resident of the Contracting State in which he has a permanent home available to him. If he has a permanent home available to him in both Contracting States, he shall be deemed to be a resident of the Contracting State with which his personal and economic relations are closest (centre of vital interests);

(b) if the Contracting State in which he has his centre of vital interests cannot be determined, or if he has not a permanent home available to him in either Contracting State, he shall be deemed to be a resident of the Contracting State in which he has a habitual abode;

(c) if he has a habitual abode in both Contracting States or in neither of them, he shall be deemed to be resident of the Contracting State of which he is a national;

(d) if he is a national of both Contracting States or of neither of them, the competent authorities of the Contracting States shall settle the question by mutual agreement.

(3) Where by reason of the provisions of paragraph (1) a person other than an individual is a resident of both Contracting States, then it shall be deemed to be a resident of the Contracting State in which its place of effective management is situated.

ARTICLE 5

Permanent Establishment

(1) For the purposes of this Agreement, the term “permanent establishment” means a fixed place of business through which the business of an enterprise is wholly or partly carried on.

(2) The term “permanent establishment” shall include especially:

(a) a place of management;

(b) a branch;

(c) an office;

(d) a factory;

(e) a workshop; and

(f) a mine, an oil or gas well, a quarry or any other place of extraction of natural resources including an offshore drilling site.

(3) A building site or construction or installation project or supervisory activities in connection therewith, shall constitute a permanent establishment provided that such site, project or activities last for more than twelve months.

(4) Notwithstanding the preceding provisions of this Article, the term “permanent establishment” shall be deemed not to include;

(a) the use of facilities solely for the purpose of storage, display or delivery of goods or merchandise, belonging to the enterprise;

(b) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of storage, display or delivery;

(c) the maintenance of a stock of goods or merchandise belonging to the enterprise solely for the purpose of processing by another enterprise;

(d) the maintenance of a fixed place of business solely for the purpose of purchasing goods or merchandise, or for collecting information, for the enterprise;

(e) the maintenance of a fixed place of business solely for the purpose of carrying on, for the enterprise, any other activity, if it has a preparatory or auxiliary character;

(f) the maintenance of a fixed place of business solely for any combination of activities mentioned in sub-paragraphs (a) to (e) of this paragraph, provided that the overall activity of the fixed place of business resulting from this combination is of a preparatory or auxiliary character.

(5) Notwithstanding the provisions of paragraphs (1) and (2), if a person — other than an agent of an independent status to whom paragraph (6) applies — is acting on behalf of an enterprise and has, and habitually exercises, in a Contracting State an authority to conclude contracts in the name of the enterprise, that enterprise shall be deemed to have a permanent establishment in that State in respect of any activities which that person undertakes for the enterprise, unless the activities of such person are limited to those mentioned in paragraph (4) which, if exercised through a fixed place of business, would not make this fixed place of business a permanent establishment by virtue of that paragraph.

(6) An enterprise shall not be deemed to have a permanent establishment in a Contracting State merely because it carries on business in that State through a broker, general commission agent or any other agent of an independent status, where such persons are acting in the ordinary course of their business.

(7) The fact that a company which is resident of a Contracting State controls or is controlled by a company which is a resident of the other Contracting State, or which carries on business in that other State (whether through a permanent establishment or otherwise), shall not itself constitute either company a permanent establishment of the other.

CHAPTER III

Taxation of Income

ARTICLE 6

Income from Immovable Property

(1) Income from immovable property may be taxed in the Contracting State in which such property is situated.

(2) The term “immovable property” shall be defined in accordance with the taxation laws of the Contracting State in which the property in question is situated. The term shall in any case include property accessory to immovable property, rights to which the provisions of general law respecting landed property apply, usufruct of immovable property and rights to variable or fixed payments as consideration for the working of, or the right to work, mineral deposits, sources and other natural resources; ships, boats and aircraft shall not be regarded as immovable property.

(3) The provisions of paragraph (1) shall apply to income derived from the direct use, letting, or use in any other form of immovable property.

(4) The provisions of paragraphs (1) and (3) shall also apply to income from immovable property of an enterprise and to income from immovable property used for the performance of professional services.

ARTICLE 7

Business Profits

(1) The profits of an enterprise of a Contracting State shall be taxable only in that State unless the enterprise carries on business in the other Contracting State through a permanent establishment situated therein. If the enterprise carries on business as aforesaid, the profits of the enterprise may be taxed in the other State but only so much of them as is attributable to that permanent establishment.

(2) Subject to the provisions of paragraph (3), where an enterprise of a Contracting State carries on business in the other Contracting State through a permanent establishment situated therein, there shall in each Contracting State be attributed to that permanent establishment the profits which it might be expected to make if it were a distinct and separate enterprise engaged in the same or similar activities under the same or similar conditions and dealing wholly independently with the enterprise of which it is a permanent establishment.

(3) In the determination of the profits of a permanent establishment, there shall be allowed as deductions expenses which are incurred for the purposes of the permanent establishment including executive and general administrative expenses so incurred whether in the State in which the permanent establishment is situated or elsewhere.

(4) Insofar as it has been customary in a Contracting State to determine the profits to be attributed to a permanent establishment on the basis of an apportionment of the total profits of the enterprise to its various parts, nothing in paragraph (2) shall preclude that Contracting State from determining the profits to be taxed by such an apportionment as may be customary; the method of apportionment adopted shall, however, be such that the result shall be in accordance with the principles embodied in this Article.

(5) No profits shall be attributed to a permanent establishment by reason of the mere purchase by that permanent establishment of goods or merchandise for the enterprise.

(6) For the purposes of the preceding paragraphs, the profits to be attributed to the permanent establishment shall be determined by the same method year by year unless there is good and sufficient reason to the contrary.

(7) Where profits include items of income which are dealt with separately in other Articles of this Agreement, then the provisions of those Articles shall not be affected by the provisions of this Article.

ARTICLE 8

Shipping and Air Transport

(1) Profits from the operation of ships and aircraft in international traffic shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

(2) If the place of effective management of a shipping enterprise is aboard a ship, then it shall be deemed to be situated in the Contracting State in which the home harbour is situated, or if there is no such home harbour, in the Contracting State of which the operator of the ship is a resident.

(3) The provisions of paragraph (1) shall also apply to profits derived from the participation in a pool, a joint business or in an international operating agency.

ARTICLE 9

Associated Enterprises

Where —

(a) an enterprise of a Contracting State participates directly or indirectly in the management, control or capital of an enterprise of the other Contracting State; or

(b) the same persons participate directly or indirectly in the management, control or capital of an enterprise of a Contracting State and enterprise of the other Contracting State, and in either case conditions are made or imposed between the two enterprises in their commercial or financial relations which differ from those which would be made between independent enterprises, then any profits which would, but for those conditions, have accrued to one of the enterprises, but, by reason of those conditions, have not so accrued, may be included in the profits of that enterprise and taxed accordingly.

ARTICLE 10

Dividends

(1) Dividends paid by a company which is a resident of a Contracting State to a resident of the other Contracting State may be taxed in that other State.

(2) However, such dividends may be taxed in the Contracting State of which the company paying the dividends is a resident, and according to the law of that State, but:

(a) where the dividends are paid by the company resident of France to a resident of Malta who is the beneficial owner thereof, the French tax so charged shall not exceed:

(i) 5 per cent of the gross amount of the dividends if the recipient is a company which holds directly at least 10 per cent of the capital of the company paying the dividends;

(ii) in all other cases, 15 per cent of the gross amount of the dividends;

(b) where the dividends are paid by a company resident of Malta to a resident of France who is the beneficial owner thereof:

(i) Malta tax shall not exceed that chargeable on the company paying the dividends in respect of the profits so distributed;

(ii) notwithstanding the provisions of sub-paragraph (i), Malta tax shall not exceed 15 per cent of the gross amount of the dividends if such dividends are paid out of gains or profits earned in any year in respect of receipt of tax benefits under the provisions regulating aids to industries in Malta, and the shareholder submits returns and accounts to the taxation authorities of Malta in respect of his income liable to Malta tax for the relative year of assessment.

This paragraph shall not affect the taxation of the company in respect of the profits out of which the dividends are paid.

(3) The term “dividends” as used in this Article means income from shares, “jouissance” shares or “jouissance” rights, mining shares, founders’ shares or other rights, not being debt-claims, participating in profits, as well as income from other corporate rights which is subjected to the same taxation treatment as income from shares by the taxation law of the State of which the company making the distribution is a resident.

(4) The provisions of paragraphs (1) and (2) shall not apply if the recipient of the dividends, being a resident of a Contracting State, carries on business in the other Contracting State of which the company paying the dividends is a resident, through a permanent establishment situated therein, or performs in that other State professional services from a fixed base situated therein and the holding in respect of which the dividends are paid is effectively connected with such permanent establishment or fixed base. In such a case the provisions of Article 7 or Article 14, as the case may be, shall apply.

(5) (a) A resident of Malta who receives from a company which is a resident of France dividends which, if received by a resident of France, would entitle such resident to a fiscal credit (avoir fiscal), shall be entitled to a payment from the French Treasury equal to such credit (avoir fiscal) subject to the deduction of the tax provided for in sub-paragraph (a)(ii) of paragraph (2) of this Article;

(b) the provisions of sub-paragraph (a) of this paragraph shall apply only to a resident of Malta, being either:

(i) an individual; or

(ii) a company which does not control the company paying the dividends; for the purposes of this sub-paragraph, a company shall be deemed to control another company when, either alone or together with one or more associated companies it controls directly or indirectly at least 10 per cent of the voting power of the other company, and two companies shall be deemed to be associated if one is controlled directly or indirectly by the other or both are controlled directly or indirectly by a third company in the manner aforesaid.

(c) the provisions of sub-paragraph (a) of this paragraph shall not apply if the recipient of the payment from the French Treasury provided for under sub-paragraph (a) of this paragraph is not subject to Malta tax in respect of that payment;

(d) Payments from the French Treasury provided for under sub-paragraph (a) of this paragraph shall be deemed to be dividends for the purposes of this Agreement.

(6) (a) Where the prepayment (precompte) is levied in respect of dividends paid by a company which is a resident of France to a resident of Malta who is not entitled to the payment from the French Treasury referred to in paragraph (5) of this Article with respect to such dividends, that resident of Malta shall be entitled to the refund of the prepayment, subject to the deduction of tax with respect to the refunded amount in accordance with paragraph (2) of this Article;

(b) amounts refunded under the provisions of sub-paragraph (a) of this paragraph shall be deemed to be dividends for the purposes of this Agreement.

(7) Where a company resident of Malta has in France a permanent establishment, the profits of this permanent establishment shall, after having borne the French corporation tax, be liable to a tax the rate of which shall not exceed 10 per cent, according to the law of France.

ARTICLE 11

Interest

(1) Interest arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such interest may be taxed in the Contracting State in which it arises, and according to the law of that State, but if the recipient is the beneficial owner of the interest, the tax so charged shall not exceed 10 per cent of the gross amount of the interest.

(3) Notwithstanding the provisions of paragraph (2), any such interest as is mentioned in paragraph (1) shall be taxable only in the Contracting State of which the beneficiary is a resident, if such interest is payable on loans granted or guaranteed by that State or statutory body thereof.

(4) The term "interest" as used in this Article means income from debt-claims of every kind, whether or not secured by mortgage, and whether or not carrying a right to participate in the debtor's profits, and in particular, income from government securities and income from bonds or debentures, including premiums and prizes attaching to bonds or debentures. Penalty charges for late payment shall not be regarded as interest for the purpose of this Article.

(5) The provisions of paragraphs (1) and (2) shall not apply if the recipient of the interest, being a resident of a Contracting State, carries on business in the other Contracting State in which the interest arises, through a permanent establishment situated therein, or performs in that other State professional services from a fixed base situated therein, and the debt-claim in respect of which the interest is paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14, as the case may be, shall apply.

(6) Interest shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, a statutory body thereof or a resident of that State. Where, however, the person paying the interest, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment in connection with which the indebtedness on which the interest is paid was incurred, and such interest is borne by such permanent establishment, then such interest shall be deemed to arise in the Contracting State in which the permanent establishment is situated.

(7) Where, owing to a special relationship between the payer and the recipient or between both of them and some other person, the amount of the interest paid, having regard to the debt-claim for which it is paid, exceeds the amount which would have been agreed upon by the payer and the recipient in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the payment shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 12

Royalties

(1) Royalties arising in a Contracting State and paid to a resident of the other Contracting State may be taxed in that other State.

(2) However, such royalties may be taxed in the Contracting State in which they arise and according to the law of that State, but if the recipient is the beneficial owner of the royalties, the tax so charged shall not exceed 10 per cent of the amount of the royalties.

(3) Notwithstanding the provisions of paragraph (2), payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work, including works recorded for broadcasting or television, shall be taxable only in the Contracting State of which the beneficiary is a resident, if such resident is the beneficial owner of the payments.

(4) The term “royalties” as used in this Article means payments of any kind received as a consideration for the use of, or the right to use, any copyright of literary, artistic or scientific work including cinematographic films and works recorded for broadcasting or television, any patent, trade mark, design or model, plan, secret formula or process or for information concerning industrial, commercial or scientific experience.

(5) The provisions of paragraphs (1), (2) and (3) shall not apply if the recipient of the royalties, being a resident of a Contracting State, carries on business in the other Contracting State in which the royalties arise, through a permanent establishment situated therein, or performs in that other State professional services from a fixed base situated therein, and the right or property in respect of which the royalties are paid is effectively connected with such permanent establishment or fixed base. In such a case, the provisions of Article 7 or Article 14 as the case may be, shall apply.

(6) Royalties shall be deemed to arise in a Contracting State when the payer is that State itself, a political subdivision, a local authority, a statutory body thereof or a resident of that State. Where, however, the person paying the royalties, whether he is a resident of a Contracting State or not, has in a Contracting State a permanent establishment with which the right or property in respect of which the royalties are paid is effectively connected, and such royalties are borne by such permanent establishment, then such royalties shall be deemed to arise in the Contracting State in which the permanent establishment is situated.

(7) Where, owing to a special relationship between the payer and the recipient or between both of them and some other person, the amount of the royalties paid, having regard to the use, right or information for which they are paid, exceeds the amount which would have been agreed upon by the payer and the recipient in the absence of such relationship, the provisions of this Article shall apply only to the last-mentioned amount. In that case, the excess part of the payments shall remain taxable according to the law of each Contracting State, due regard being had to the other provisions of this Agreement.

ARTICLE 13

Capital Gains

(1) Gains from the alienation of immovable property, as defined in paragraph (2) of Article 6 or from the alienation of shares or comparable interest in a real property cooperative or in a company the assets of which consist principally of immovable property, may be taxed in the Contracting State in which such property is situated.

(2) Gains from the alienation of movable property forming part of the business property of a permanent establishment which an enterprise of a Contracting State has in the other Contracting State or of movable property pertaining to a fixed base available to a resident of a Contracting State in the other Contracting State for the purpose of performing professional services, including such gains from the alienation of such a permanent establishment (alone or together with the whole enterprise) or of such a fixed base, may be taxed in the other State. However, gains from the alienation of movable property pertaining to the operation of ships and aircraft operated in international traffic shall be taxable only in the Contracting State in which the place of effective management of the enterprise is situated.

(3) Gains from the alienation of shares forming part of a substantial interest in the capital of a company which is a resident of a Contracting State may be taxed in that State and according to the law of that State. (1) In the case of France, double taxation shall be avoided as follows:

(a) Income other than that referred to in sub-paragraph (b) below shall be exempt from the French taxes referred to in sub-paragraph (a) of paragraph (3) of Article 2 if the income is taxable in Malta under this Agreement.

(b) (i) Income referred to in Articles 10, 11, 12, 14, 16 and 17, received from Malta may be taxed in France on the gross amount. The Malta tax levied on such income entitles residents in France to a tax credit corresponding to the amount of Malta tax levied but which shall not exceed the amount of French tax levied on such income. Such credit shall be allowed against taxes referred to in sub-paragraph (a) of paragraph (3) of Article 2, in the bases of which such income is included;

(ii) in the case of income referred to in Articles 10, 11 and 12 received from Malta by a resident of France, Malta tax shall be deemed to have been paid as follows:

(aa) dividends, at the rate of 15 per cent as provided in paragraph (2)(b)(ii) of Article 10;

(bb) Interest at the rate of 10 per cent as provided in paragraph (2) of Article 11; and

(cc) royalties, other than those referred to in paragraph (3) of Article 12, at the rate of 10 per cent as provided in paragraph (2) of the said Article.

(c) Dividends distributed by a company which is a resident of Malta to a company which is a resident of France shall be exempt from French tax to the extent that the dividends would have been exempt from tax under French law if both companies had been residents of France.

(d) Notwithstanding the provisions of sub-paragraph (a), French tax is computed on income chargeable in France by virtue of this Agreement at the rate appropriate to the total of the income chargeable in accordance with the French law.

(2) In the case of Malta, double taxation shall be eliminated as follows:

Subject to the provisions of the law of Malta regarding the allowance of a credit against Malta tax in respect of foreign tax, where, in accordance with the provisions of this Agreement, there is included in a Malta assessment income from sources within France, or elements of a capital situated in France, the French tax on such income or elements of capital, as the case may be, shall be allowed as a credit against the relative Malta tax payable thereon.

(3) Where the Agreement provides that income arising in a Contracting State shall be relieved from tax in that State, either in full or in part, and, under the law in force in the other Contracting State, such income is subject to tax by reference to the amount thereof which is remitted to or received in that other State and not by reference to the full amount thereof, then the relief to be allowed in the first-mentioned State shall apply only to so much of the income as is remitted to or received in the other State.

CHAPTER VI

Special Provisions

ARTICLE 25

Non-Discrimination

(1) The nationals of the Contracting State, whether or not they are residents of one of the Contracting States, shall not be subjected in the Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which nationals of that other State in the same circumstances are or may be subjected.

(2) The taxation on a permanent establishment which an enterprise of a Contracting State has in the other Contracting State shall not be less favourably levied in that other State than the taxation levied on enterprises of that other State carrying on the same activities.

This provision shall not be construed as obliging a Contracting State to grant to residents of the other Contracting State any personal allowances, reliefs and reductions for taxation purposes on account of civil status or family responsibilities which it grants to its own residents.

(3) Except where the provisions of Article 9, paragraph (7) of Article 11, or paragraph (7) of Article 12, apply interest, royalties and other disbursements paid by an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable profits of such enterprise, be deductible under the same condition as if they had been paid to a resident of the first-mentioned State.

Similarly, any debts of an enterprise of a Contracting State to a resident of the other Contracting State shall, for the purpose of determining the taxable capital of such enterprise, be deductible as if they had been contracted to a resident of the first-mentioned State.

(4) Enterprises of a Contracting State, the capital of which is wholly or partly owned or controlled, directly or indirectly by one or more residents of the other Contracting State, shall not be subjected in the first-mentioned Contracting State to any taxation or any requirement connected therewith which is other or more burdensome than the taxation and connected requirements to which other similar enterprises of that first-mentioned State are or may be subjected.

(5) In this Article, the term "taxation" means taxes of every kind and description.

ARTICLE 26

Mutual Agreement Procedure

(1) Where a resident of a Contracting State, considers that the actions of one or both of the Contracting States result or will result for him in taxation not in accordance with this Agreement, he may, notwithstanding the remedies provided by the national laws of those States, present his case to the competent authority of the Contracting State of which he is a resident or, if his case comes under paragraph (1) of Article 25, to that of the Contracting State of which he is a national. This case must be presented within three years of the first notification of the action giving rise to taxation not in accordance with the Agreement.

(2) The competent authority shall endeavour, if the objection appears to it to be justified and if it is not itself able to arrive at an appropriate solution, to resolve the case by mutual agreement with the competent authority of the other Contracting State, with a view to the avoidance of double taxation not in accordance with the Agreement. Any agreement reached shall be implemented notwithstanding any time limits in the national laws of the Contracting State.

(3) The competent authorities of the Contracting States shall endeavour to resolve by mutual agreement any difficulties arising as to the application of the Agreement.

In particular, the competent authorities of the Contracting States may consult together to endeavour to agree;

(a) to the same attribution in both Contracting States of the profits attributable to a permanent establishment situated in a Contracting State of an enterprise of the other Contracting State;

(b) to the same allocation of income between a resident of a Contracting State and any associated person referred to in Article 9.

They may also consult together for the elimination of double taxation in cases not provided for in the Agreement.

(4) The competent authorities of the Contracting States may communicate with each other directly for the purpose of reaching an agreement in the sense of the preceding paragraphs. When it seems advisable in order to reach agreement to have an oral exchange of opinions, such exchange may take place through a Commission consisting of representatives of the competent authorities of the Contracting State.

(5) The competent authorities of the Contracting States may by mutual agreement settle the mode of application of this Agreement and, especially, the requirements to which the residents of a Contracting State shall be subjected in order to obtain the tax reliefs or exemptions provided for by this Agreement.

ARTICLE 27

Exchange of Information

(1) The competent authorities of the Contracting States shall exchange such information as is necessary for the carrying out of this Agreement or for the domestic laws of the Contracting States concerning taxes covered by this Agreement in so far as the taxation thereunder is not contrary to this Agreement. Any information received by a Contracting State shall be treated as secret in the same manner as information obtained under domestic laws of that State and shall be disclosed only to persons or authorities (including a court or administrative body) involved in the assessment or collection of, the enforcement of prosecution in respect of, or the determination of appeals in relation to, the taxes which are the subject of this Agreement. Such persons or authorities shall use the information only for such purposes. These persons or authorities may disclose the information in public court proceedings or in judicial decisions.

(2) In no case shall the provisions of paragraph (1) be construed so as to impose on one of the Contracting States the obligation:

(a) to carry out administrative measures at variance with the laws or the administrative practice of that or of the other Contracting State;

(b) to supply particulars which are not obtainable under the laws or in the normal course of the administration of that or of the other Contracting State;

(c) to supply information which would disclose any trade, business, industrial, commercial or professional secret or trade process, or information, the disclosure of which would be contrary to public policy (*ordre public*).

ARTICLE 28

Diplomatic and Consular Officials

(1) Nothing in this Agreement shall effect the fiscal privileges of members of diplomatic missions and their personal domestics, of members of consular missions, or of members of permanent missions to international organisations under the general rules of international law or under the provisions of special agreements.

(2) Notwithstanding the provisions of Article 4, an individual who is a member of a diplomatic or consular or permanent mission of a Contracting State which is situated in the other Contracting State or in a third State shall be deemed for the purposes of this Agreement to be a resident of the sending State if:

(a) in accordance with international law, he is not taxable in the receiving State on income from sources outside that State; and

(b) he is liable in the sending State to the same obligations in relation to tax on his total world income as are residents of that sending State.

(3) This Agreement shall not apply to international organisations, to organs and officials thereof and to persons who are members of a diplomatic or consular or permanent mission of a third State, being present in a Contracting State and not treated in either Contracting State as residents in respect of taxes on income and capital.

ARTICLE 29

Territorial Extension

(1) This Agreement may be extended, either in its entirety or with any necessary modifications, to the overseas territories of the French Republic which imposes taxes substantially similar in character to those to which the Agreement applies. Any such extension shall take effect from such date and subject to such modifications and conditions, including conditions as to termination, as may be specified and agreed between the Contracting States in notes to be exchanged through diplomatic channels or in any other manner in accordance with their constitutional procedures.

(2) Unless otherwise agreed by both Contracting States, the termination of the Agreement by one of them under Article 31 shall also terminate, in the manner provided for in that Article, the application of the Agreement to any territory to which it has been extended under this Article.

CHAPTER VII

Final Provisions

ARTICLE 30

Entry into Force

(1) Each Contracting State shall notify to the other the completion of the procedure required by its law for the bringing into force of this Agreement. This Agreement shall enter into force on the first day of the second month following the month in which the later of these notifications has been given.

(2) Its provisions shall apply for the first time:

(a) as regards taxes withheld at source, to amounts payable on or after the date of entry into force of this Agreement;

(b) as regards other taxes on income, to income derived during the calendar year in which the Agreement entered into force, or relating to the accounting period ending during this year.

ARTICLE 31

(2) In such an event, its provisions shall apply for the last time:

(a) as regards taxes withheld at source, the sums payable before or on the 31st December of the calendar year during which the termination has been notified;

(b) as regards other taxes on income, to income derived during the calendar year during which the termination has been notified or relating to the accounting period ending during such year.

PROTOCOL

At the time of signature of the Agreement between the Government of the Republic of Malta and the Government of the French Republic for the Avoidance of Double Taxation and the Prevention of Fiscal Evasion with respect to Taxes on Income, the undersigned have agreed upon the following provisions.

I. In respect of Article 5, an insurance enterprise of a Contracting State shall be deemed to have a permanent establishment in the other Contracting State if it collects premiums and insures risks therein.

II. In respect of paragraphs (1) and (2) of Article 7, where an enterprise of a Contracting State sells goods or merchandise or carries on business in the other Contracting State through a permanent establishment situated therein, the profits of this permanent establishment are not determined on the basis of the total amount received by the enterprise, but are determined only on the basis of the remuneration which is attributable to the actual activity of the permanent establishment for such sales or business. In the case of contracts for the survey, supply, installation, or construction of industrial, commercial or scientific equipment or premises, or public works, when the enterprise has a permanent establishment the profits of such permanent establishment are not determined on the basis of the total amount of the contract, but are determined only on the basis of that part of the contract which is effectively carried out by the permanent establishment in the Contracting State where the permanent establishment is situated. The profits related to that part of the contract which is carried out by the head office of the enterprise shall be taxable only in the Contracting State of which the enterprise is a resident.

III. In respect of paragraph (1) of Article 7, payments of any kind received as a consideration for the use of, or the right to use, industrial, commercial or scientific equipment shall be deemed to be profits of an enterprise to which the provisions of Article 7 apply. Similarly, payments received as a consideration for studies or surveys of a scientific, geological or technical nature, or for consultant or supervisory services shall be deemed to be payments to which the provisions of Article 7 apply.

IV. In respect of Article 8:

(a) where profits derived from the operation of a ship in international traffic by an enterprise whose place of effective management is situated in Malta are exempt from tax under the provisions of section 86 of the Merchant Shipping Act, 1973, or under any identical or similar provisions, such profits may be taxed in France unless it is proved to the satisfaction of the competent authority of France that not more than 25 per cent of the capital of the company owning the relative ship is controlled, directly or indirectly, by persons not residents of Malta;

(b) where a person who is a resident of France participates directly or indirectly in the management, control or capital of such an enterprise, such person shall be taxable in France in respect of that part of the profits, derived by such enterprise and exempt from tax in Malta as aforesaid, which is appropriate to the participation of such person in the enterprise.

V. In respect of Articles 11 and 12, where any interest or royalties derived from Malta are received by a resident of France, tax in Malta is charged on the amount of the interest or royalties as reduced by all expenses properly attributable thereto. If the tax so charged is in excess of 10 per cent of the gross amount of the interests or royalties (that is before the deduction of the aforesaid expense), the tax is reduced so as not to exceed 10 per cent of the gross interests or royalties.

VI. In respect of Article 25:

(a) Nothing in paragraph (1) shall be construed as preventing France from granting only to persons possessing French nationality the benefit of the exemption of the gains derived from the alienation of immovable property or parts of immovable property constituting the residence in France of French persons who are not residents of France, as provided in Article 6 — 11 of the law no. 76.660 of July 19, 1976; and

(b) Nothing in paragraph (3) shall be construed as preventing France from applying the provision of Article 212 of the “Code General des Impots” as regards interest paid by a French company to a foreign mother Company.

IN WITNESS WHEREOF the undersigned have signed the present Protocol which shall have the same force and validity as if it were inserted word by word in the Agreement.

SCHEDULE
PROTOCOL
AMENDING THE AGREEMENT BETWEEN
THE GOVERNMENT OF THE REPUBLIC OF MALTA
AND THE GOVERNMENT OF THE FRENCH REPUBLIC
FOR THE AVOIDANCE OF DOUBLE TAXATION
AND THE PREVENTION OF FISCAL EVASION
WITH RESPECT TO TAXES ON INCOME
SIGNED IN VALLETTA ON 25TH JULY 1977

The Government of Malta and the Government of the French Republic, desiring to amend the Agreement between the two Governments for the avoidance of double taxation and the prevention of fiscal evasion with respect to taxes on income signed at Valletta on 25th July 1977 (hereinafter referred to as “the Agreement”), have agreed as follows:

Article 1

In the title and the preamble of the Agreement, and in the preamble of the Protocol of 25th July 1977, the words “with respect to taxes on income and capital” are substituted for the words “with respect to taxes on income”.

Article 2

In subparagraph 3 (a) of Article 2 of the Agreement the following subparagraph: “(iii) the solidarity tax on wealth;” is inserted after subparagraph (ii).

Article 3

Paragraph 2 of Article 3 of the Agreement is replaced by the following paragraph:

the “(2) As regards the application of the Agreement by a Contracting State, any term not defined therein shall have the meaning which it has under the laws of that State concerning taxes to which the Agreement applies. The meaning of a term under the taxation law of that State shall have priority over the meaning provided for such term in other branches of law of that State.”.

Article 4

In Article 6 of the Agreement, a new paragraph is added which reads as follows:

“(5) Where the ownership of shares or other rights in a company or legal person entitles the owner to the enjoyment of immovable property situated in a Contracting State and held by that company or legal person, income derived by the owner from the direct use, letting or use in any other form of his right of enjoyment may be taxed in that State. The provisions of this paragraph shall apply notwithstanding the provisions of Articles 7 and 14.”.

Article 5

In paragraph (1) of Article 13 of the Agreement, the words “,directly or through one or more other companies or legal persons,” are inserted after the words “which consist”.

Article 6

Paragraph (1) of Article 23 of the Agreement is completed by the following sentence:

“Capital represented by shares or other rights in a company or legal person the assets of which consist principally, directly or through one or more other companies or legal persons, of immovable property situated in a Contracting State or of rights connected with such immovable property may be taxed in that State.”.

Article 7

In Article 24 of the Agreement, paragraph (1) is deleted and replaced by the following paragraph:

“(1) In the case of France, double taxation shall be avoided in the following manner:

(a) Income arising in Malta, which may be taxed or shall be taxable only in that State in accordance with the provisions of this Agreement, shall be taken into account for the computation of the French tax where the beneficiary of such income is a resident of France and where such income is not exempted from corporation tax according to French domestic law. In that case, the Malta tax shall not be deductible from such income, but the beneficiary shall be entitled to a tax credit against French tax. Such tax credit shall be equal:

(i) in the case of income which, according to the provisions of the Agreement, shall be taxable only in Malta, to the amount of French tax attributable to such income;

(ii) in the case of income which, according to the provisions of the Agreement, may be taxed in Malta, to the amount of tax paid in Malta in accordance with the provisions of the Agreement; however, such tax credit shall not exceed the amount of French tax attributable to such income.

(b) A resident of France who owns capital which may be taxed in Malta according to the provisions of the Agreement may also be taxed in France in respect of such capital. The French tax shall be computed by allowing a tax credit equal to the amount of the tax paid in Malta on such capital. However, such tax credit shall not exceed the amount of the French tax attributable to such capital.

(c) It is understood that the term “amount of French tax attributable to such income” as used in subparagraph (a) means:

(i) where the tax on such income is computed by applying a proportional rate, the amount of the net income concerned multiplied by the rate which actually applies to that income;

(ii) where the tax on such income is computed by applying a progressive scale, the amount of the net income concerned multiplied by the rate resulting from the ratio of the tax actually payable on the total net income taxable in accordance with French law to the amount of that total net income.

This interpretation shall apply by analogy to the term “amount of French tax attributable to such capital” as used in subparagraph (b).

(d) (i) It is understood that the term “amount of tax paid in Malta” as used in subparagraphs (a) and (b) means the amount of Malta tax effectively and definitively borne in respect of the income or the items of capital in question, in accordance with the provisions of the Agreement, by the beneficiary or owner thereof who is a resident of France.

(ii) Notwithstanding the provisions of subparagraph (i), in the case of income referred to in Articles 10, 11 and 12, arising in Malta and paid to a beneficiary who is a resident of France by a person to whom the Agreement applies, Malta tax shall be deemed to have been paid as follows:

(aa) on dividends, at the rate of 15 per cent as provided in paragraph 2(b)(ii) of Article 10;

(bb) on interest, at the rate of 10 per cent as provided in paragraph (2) of Article 11; and

(cc) on royalties, other than those referred to in paragraph (3) of Article 12, at the rate of 10 per cent as provided in paragraph (2) of the said Article.

Relief from French tax by virtue of this subparagraph (ii) shall be given for a period of ten years only, beginning with the date on which the Protocol of the 8th of July 1994 entered into force. This period may, however, be extended by agreement between the Contracting States.”.

Article 8

Paragraph (1) of Article 25 of the Agreement is completed by the following sentence:

“It is understood that an individual, legal person, partnership or association who is a resident of a Contracting State is not placed in the same circumstances as an individual, legal person, partnership or association who is not a resident of that State, even if, in the case of legal persons, partnership or associations, those entities are considered, under subparagraph (f) of paragraph (1) of Article 3, as nationals of the Contracting State of which they are residents.”.

Article 9

The following paragraph is inserted in the Protocol of 25th July 1977 before paragraphs V and VI, which become respectively paragraphs VI and VII:

“V. In respect of Article 10, it is understood that the term “dividends” also includes income treated as a distribution by the taxation laws of the Contracting State of which the company making the distribution is a resident.”.

Article 10

The following paragraph VIII is added to the protocol of 25th July 1977:

“VIII.(a) The provisions of the Agreement and of this Protocol - other than the provisions of this paragraph - shall not apply to persons entitled to any special tax benefit under:

(i) a law of either one of the Contracting States which has been identified in an exchange of letters between the Contracting States; or

(ii) any substantially similar law subsequently enacted.

(b) Without prejudice to the provisions of subparagraph (a), the provisions of the Agreement and of this Protocol - other than the provisions of this paragraph - shall not apply to:

- (i) dividends paid by persons referred to in subparagraph (a); and
- (ii) other items of income derived from persons referred to in subparagraph (a) by associated enterprises as defined in subparagraphs (a) or (b) of Article 9; and
- (iii) shares or rights in persons referred to in subparagraph (a).”.

Article 11

(1) Each of the Contracting States shall notify to the other the completion of the procedures required by its law for the bringing into force of this Protocol. This Protocol shall enter into force on the first day of the second month following the month in which the latter of these notifications has been received.

(2) The provisions of the Protocol shall apply for the first time:

(a) in respect of taxes withheld at source, to amounts taxable on or after the date of entry into force of the Protocol;

(b) in respect of taxes on income which are not withheld at source, to income relating to the calendar year or accounting period, as the case may be, during which the Protocol enters into force;

(c) in respect of the other taxes, to taxation the taxable event of which will occur on or after the date of entry into force of the Protocol.

(3) The provisions of the Protocol shall remain in force as long as the Agreement shall remain in force.

In witness whereof, the undersigned, duly authorised thereto, have signed this Protocol.

EXCHANGE OF LETTERS

Your Excellency,

I have the honour to refer to the Protocol, which has been signed today, amending the Agreement between the Government of the French Republic and the Government of Malta for the Avoidance of Double Taxation and the prevention of fiscal evasion with respect to taxes on income and capital signed at Valletta on 25th July 1977 and to propose on behalf of the Government of the French Republic to agree that the persons referred to in subparagraph (a) of paragraph VIII of the Protocol of 25th July 1977, as amended by the Protocol which has been signed today, are the following:

(i) persons who are entitled to a special tax benefit under the Malta International Business Activities Act 1988 and subsequent amendments, except for those persons who opt under section 41 of the said Act to be subject to the normal provisions of the Income Tax Act (Cap. 123); or

(ii) persons who and to the extent to which under the provisions of the Merchant Shipping Act 1973 and subsequent amendments are not subject to tax on the profits derived from the operation of ships in international traffic; or

(iii) persons entitled to any special tax benefit in respect of distributions by a trust subject to the provisions of the Offshore Trusts Act 1988 and subsequent amendments, given that a trust as laid down in that Act is not vested with legal personality and therefore cannot benefit under the Agreement in its own right.

If the foregoing proposals are acceptable to the Government of Malta, I have the honour to suggest that the present letter and Your Excellency's reply to that effect shall be regarded as constituting an agreement between the two Governments in this matter which shall enter into force at the same time as the entry into force of the protocol which has been signed today.

I avail myself of this opportunity to extend to your Excellency the assurance of my highest consideration.
